WORK EXPERIENCE

Sr. Medical Billing Specialist

Vohra Wound Physicians

July 2023 to May 2024

Mainly focused on rectifying errors and efficiently resubmitting claims for timely reimbursement. With an emphasis on precision, I ensure accurate billing information submission, minimizing the need for multiple claim touches. Additionally, I conduct thorough research on claims to enhance billing procedures. Moreover, I manage eligibility and benefits verification to facilitate smooth claim processing.

Senior AR Analyst

Getix Healthcare

September 2022 to June 2023

Handle upset or escalated calls with diplomacy and tact while also fulfilling facsimile and copying requirements for the department(s). Maintain a thorough understanding of functional areas and company policies. Analyze workflows to enhance process quality and productivity. Ensure all rejections are effectively addressed and resolved.

Accounts Receivable Specialist.

Omega Healthcare Pvt Ltd

October 2020 to April 2022

Managed patient eligibility verification, fresh claims, denials, and appeals follow-up. Oversaw claim statuses during suspensions and denials. Provided guidance and training to the team to improve processes. Led a team of 20+ agents and supervised the training of four batches for process allocation and escalated issue handling

PROFESSIONAL SUMMARY

Accomplished Medical Billing Specialist with a robust 6+ years in the hospital and healthcare industry. Specializes in Accounts Receivable follow-up and proficiently handles denials. Skilled in Customer Service, Data Analysis, Rejection Handling, Insurance Calling, Payment Posting, and Charge Entry. Known for dynamic leadership in team management and training.
