- Root Cause Analysis

Work History

2019-11 - Current **Quality Analyst**

Accenture, Hyderabad

- Conducted Manual audits and provided reviewers with training on the subjects on which they had made the most mistakes in order to raise the quality level.
- Provided detailed reports on quality metrics to senior management, enabling informed decision-making regarding process improvements.
- Maintained up-to-date knowledge of industry best practices, incorporating relevant methodologies into daily work processes for optimal results.
- Using 5-why analysis, it was possible to identify errors in PKT by performing analysis and determining their main cause.
- Conducted numerous live audits to learn about the reviewers actual daily responsibilities and assisted them in error-free production and quality management.

Education

2016-09 - 2019-05 **Master Of Computer Applications: Computer And Information Systems**

Osmania University For Women - Koti, Hyderabad
